There was no Treasurer's report.

Old Business: 1. John Gomer distributed the standards for judging the Coin Show exhibits, as promised. These rules are adapted from the ANA Exhibit Rules for judging so that members may learn to compete regardless of the venue. He stated that there would be only such prizes and/or ribbons awarded as would the membership decide upon. 2. Hank stated that there are still a few hundred raffle tickets left for sale. Every member should pick up and sell them. 3. Volunteers for the setup/tear-down and Hospitality committees are still in demand, but good spots are going fast. 4. Hank still has a few Nismismatic glossaries available.

New Business: 1. Hank reported tickets for the Santa Cruz Coin Show are available and that with every purchase, one will receive a club medal. He stated that these medals are highly collectable and issued each year by the club. The medals may prove more collectable if the club goes under due to a lack of support. Bo Borich has a large quantity of the medals if the club supply runs out. Ben stated that this is technically an error medal because the date is incorrect. The medals are in bronze. 2. SVCC award winning newsletters are available for the membership to take with them. Hank reminded the membership that they would not receive them in the mail if they attended the meeting. John Gomer has not stated how many articles have been submitted to date. This officer hopes that the newsletter will continue in its present form under the present editorship.

The Educational speaker of the evening was introduced by Dave Showers. Mr. Fred Myer spoke on the Coins of the United Kingdom from the reigns of Elizabeth I to Elizabeth II.

A break was called for by Hank at 8:35 P.M.

Minutes of 14 September, 1988

Mr. Jared Walters requested membership and was accepted into membership.

Treasurer's Report: 1. All bills presented to date prior to the meeting have been paid. 2. The balance of all accounts is \$13,019.04.

Old Business included: 1. Both the Setup/Tear-down crew and the Hospitality Committee need assistance. Tony Barajas stated that he will be available at Cal Expo beginning at 1:00 P.M. on 21 October and help is welcome and needed from that time on until setup has been completed. Last time the setup was finished before 5:00 P.M. Help is also needed covering the tables with donated white paper. The club saves \$400.00 by using the white paper rather than the table cloths. Tear-down takes about an hour if everyone helps. Ben was aggravated and embarrassed that more people have not volunteered to help with these chores from which the entire club benefits. The Hospitality Committee has many 2-hour segments available to be filled. 2. The Greater Bay Area and Santa Cruz show tickets are available for purchase. 3. Our raffle tickets are available for purchase and sale by the membership. As of this date we have not sold enough tickets to pay for the prizes which have been purchased.
